

Business Talent (Permanent) Visa (subclass 132)

Document checklist for visa applications

Please refer to this checklist if you base your claims on business/es that operate/s in **Taiwan**.

For information on what this visa let you do and general eligibility, please see [Business Talent \(Permanent\) Visa \(subclass 132\)](#)

This application document checklist details the information and supporting documents required to assist with the lodgement of a complete visa application. You may be required to provide additional information and documentation after your application was lodged.

This checklist does not highlight all criteria required to be met for the grant of the visa; it only lists what documents are required to support your application.

You should provide your supporting documents to the Hong Kong Business Skills Processing Centre immediately after you have lodged your online application. Due to the volume of evidence required, we cannot accept these documents by email. All documents must be sent by post or courier to the Australian Consulate-General Hong Kong at

Hong Kong Business Skills Processing Centre
23/F, Harbour Centre
25 Harbour Road
Wanchai, Hong Kong

Please do not email attachments as this will cause delays in the processing of your application. We do not send acknowledgement advice for the receipt of attachments.

Certifying and translating documents

Unless asked to do otherwise, you should provide 'certified copies' of original documents, rather than the original documents. For further information on certified documents, please refer to [Certifying Documents](#)

Any document in a language other than English must be accompanied by accredited English translations.

- A translator in Australia must be accredited by the National Accreditation Authority for Translators and Interpreters.
- A translator outside Australia does not need to be accredited, but they must endorse the translation with their full name, address, telephone number, and details of their qualifications and experience in the language being translated.

Can someone else assist me in relation to my visa application?

If you require assistance with your visa application you may consider engaging a registered migration agent to help you in your dealings with the department. The Office of the MARA website has a list of all agents with a valid registration. Please see "[Registered Migration Agent](#)"

Please note that claims made in the application and supporting documentation may be subject to verification checks. Site visit to the business premises may be conducted at any time during the assessment process. If you provide us with fraudulent documents or claims, this may result in processing delays and possibly your application being refused.

IMPORTANT: Please provide a selection of documents and supporting evidence that best support your claims, as processing may be delayed when excessive documents are provided.
